

Hello,

My name is \_\_\_\_\_ and I'm a cub scout with Pack 653. Our troop is collecting cans to help feed the homeless for a service project. My goal is to collect \_\_\_\_\_ cans. I need your help to get there. If you are able to help me, please leave you cans and non perishable foods items outside your front door on \_\_\_\_\_ by \_\_\_\_\_ and my parents and I will come collect them. Please make sure that the food is new, has not expired, and is in a sealed undamaged container.

Thank you for your support!
